MAKE A DIFFERENCE

MAKE A DIFFERENCE

"Any classification according to a singular identity polarizes people in a particular way, but if we take note of the fact that we have many different identities - related not just to religion but also to language, occupation and business, politics, class and poverty, and many others - we can see that the polarization of one can be resisted by a fuller picture. So knowledge and understanding are extremely important to fight against singular polarization."

-- Amartya Sen
